THE ART OF KINGSLEY OBASI

With Obasi Kingsley, all the hidden and intrinsic qualities of a man discern from their facial composure particularly when you look into their eyes.

His exciting portraiture speaks volume as it captures the inconsistent nature of mankind. Through their vocation lies moral, social and cultural contexts.

A C K N O W L E D G E M E N T

Much is less and less is much.

My words are few but the feelings of deep gratitude is beyond measure. I have been mentored, guided and highly criticized by Mr. Rahman Akar (Signature gallery) who gave me a sense of direction and nurtured me like a son. His contributions to the movement of Nigerian contemporary/African art is immense.

I am deeply indebted to many of my friends who responded spontaneously to energize the birth of Repertoire and have stretched their elastic limits to a measurable accomplishment.
